

### 3 Day Vacation Bible School

I found this book on Bookbub, and am thrilled with what I've read. I wish every Christian would read it--especially every pastor and leader. My husband (who is a pastor) and I had already come to these conclusions before I found this book, but it gives me great hope that others are seeing the same disastrous problems. We have created a "monster" that we call "contemporary" kind, and people are fleeing it. For all the promise of the "contemporary" style church, it isn't really much better. The church is failing to make disciples and failing to make any real impact in the culture, and it's all because we have failed to make authentic (true) converts. It's that simple. It's easy to make a disciple of someone who has been truly converted, but it's not easy to make "decisions," it's like pushing a rope to get any serious commitment or Christlikeness out of them. The Bible says that Jesus is the Door, but to be brutally honest, the only way through that Door is to crawl--in repentance, submission (brokenness), and faith. We are no different than the church of the Middle Ages that baptized babies for salvation, leaving millions of such things as "a church for the unchurched" as many like to claim today. We should be the church of the redeemed, but we have become a church of the unsubmitive, unrepentant, unconverted, uncommitted, and unfaithful. And it all goes back to one thing--real salvation thru real repentance and real faith in Jesus Christ."-M.J. Freeman ...". thought provoking book that you need to examine the methods we are using to evangelize our children... the author backs up all of her writing with scripture, the true Word of God." -Alicia Canner " ...Wow what an eye opener, it opened my eyes to the real meaning of being born again. Not only a book to help with the youth but for everyone..."-Malinda Zemrose As Christian women, there is probably a lot of us who are not doing it right. We are not teaching our children to love God. Our children turn from God. We spend thousands of dollars, and sacrifice countless hours to VBS, Bible clubs, Youth outings, Church camp, and children's parties every year. We build elaborate stage sets, plan fantastic carnivals, and youth extravaganzas and bus in all the children and teens we can find in the hopes of leading them to Christ; and yet we are still losing them. "fruits" of our outreaches, living as practical Atheists. They walk and talk and act like the world, even loving the world, and though they claim to be saved, evidence of life in Christ is conspicuously absent. Even our own children are abandoning the faith. They have asked Jesus into their hearts and yet we see them turn from God at staggering rates. Statistics show that 80% of High School age and closer to two thirds by the time they finish college. What we're doing is just not working! In Why Are We Losing the Kids? You'll see where we have gone wrong and where to go from here. - We can turn the tide on our failing ministry efforts! - We can share the gospel without creating false converts or backsliders! - We can keep the kids if we are if we're willing to hear them!

A modern classic--revised with more than 70 percent new material--is based on seven Scriptural realities that teach Christians how to develop a true relationship with the Creator.

Life is painful. Everyone's story comes with unique challenges, difficulties, bumps, and bruises that leave you lost and drowning in their wake. It could be a financial disaster, a health issue, a broken relationship, or the loss of a loved one. Dr. Tony Evans, bestselling author and pastor of Oak Cliff Bible Fellowship, understands life's hardships firsthand. In a span of less than two years, he lost his brother, sister, brother-in-law, two nieces, father, and wife. At the same time, both of his daughters received cancer diagnoses. In the wake of all this pain, Dr. Evans had to put into practice, at the deepest levels, the truths he has preached about God for more than forty years. God's Word doesn't promise us a life free from pain and trouble. It promises us something else—Someone else. Someone who will walk with us through all of life's trials and troubles. There is hope for the hurting: His name is Jesus.

What do you get when you take two moms who love children's ministries and ask them to plan the Vacation Bible School program at their church? If you asked Gennifer Anderson and Sonja Toews that question, their answer would be--this book! With more than twenty years of combined experience coordinating the VBS program for their church each summer, these two moms decided to write their own VBS programs to meet the needs of their church and offer a different program to their community other than the mainstream VBS programs that every other church in their town was offering. The result of their efforts is Small Town VBS. This book offers you three programs for less than the price of one manual for most other programs! Buy one book and be set for three years! Each program contains detailed information about the opening program, crafts, games, food, and skit scripts, which provide humor and laughter for the closing program while tying the whole theme for the day together. The three programs focus on the following themes: Celebrations - Explores the ceremonies the Israelites celebrated and how each celebration pointed to the future and Christ's mission on earth. Short Stories - Looks at five of Jesus' parables and what those stories mean to us. God's Most Wanted - Studies the life of David and how God used him as a shepherd boy and king to do great things.

***- Enables organizers to envision and implement a VBS program customized for the local church - Practical, comprehensive, from-the-ground-up approach to VBS Designing a Vacation Bible School program, as opposed to choosing one of the many off-the-shelf packages, is a labor of love. It considers the unique perspective of children and invests accordingly. It's a home-cooked meal compared to fast food. It sends a message to parents that a church values children enough to identify and meet their specific needs in their community at a particular moment in time. Well-designed VBS programs speak to children with respect, love, and patience, offering opportunity for authentic spiritual growth, not to mention an intentional theology that is reflective of the church. Finally, custom-designed VBS programs are a way to fully include children in the mission and ministry of the church rather than confine their unique gifts. This book provides Christian educators with the tools they need to assess the needs and resources in their congregation, and to craft a creative program in response to that assessment. The Best VBS Workbook Ever offers direction and suggestions on theme, structure, logistics, program, activities, staffing and promotion. Audience: Episcopal and other mainline churches looking for something more original and thoughtful than typical pre-packaged VBS programs, Directors of Christian Education, Directors of Children's Ministry, Camps and Retreat Centers, FORMA, Kanuga Christian Education conference, eFormation network***

"It's a pillar," says one. "It's a fan," says another. One by one, the seven blind mice investigate the strange Something by the pond. And one by one, they come back with a different theory. It's only when the seventh mouse goes out-and explores the whole Something-that the mice see the whole truth. Based on a classic Indian tale, Ed Young's beautifully rendered version is a treasure to enjoy again and again. "Immensely appealing."(The Horn Book, starred review)

"No one embodied American fundamentalism more fully - its militancy, its separatism, its insistence on doctrinal precision - than Carl McIntire. Add to that his puckish humor and his inventive knack for publicity and you have one of the most riveting figures in all of American religious history." Randall Balmer, Barnard College, Columbia University "I shall never forget his prayers - to me it was as if we were lifted into the presence of God. When he read Scripture, it was almost to have the Bible explain itself, interpret itself. He read it in such a way that its meaning unfolded to your understanding. I once saw a movie of a flower opening by slow motion photography. The petals of the flower opened right before your eyes. When Dr. McIntire preached, it was like that. The meaning of the passage blossomed before your eyes. You understood what the Bible was saying; you loved what it was saying. When he preached, the clock lost its hands. He preached with passion, with power, with love and reverence for the Scripture, he preached with clarity... It was as if his lips had been touched with a coal of fire off the altar." Rev. Robert Anderson, who served for 38 years as pastor of the Tacoma Bible Presbyterian Church CARL McINTIRE led the 20th Century Reformation Movement in defense of the historic Christian faith and freedom. He was best known for his radio program, the 20th Century Reformation Hour; his battle against the Fairness Doctrine of the Federal Communications Commission; his newspaper, the Christian Beacon; his Bible conferences in Cape May, NJ, and Cape Canaveral, FL; for preserving The Independent Board for Presbyterian Foreign Missions; his presidency of the International Council of Christian Churches for over 50 years; his pastorate of the Bible Presbyterian Church of Collingswood, NJ, for 65 years; and for his lifelong work of alerting the American people to the dangers of Communism and false religion in the churches and of compromise among Bible believers.

***A 365+ Day Biblical Devotional After 15 years of attending a Men's Bible study with my friends Wheeler and Paul, I decided to do an independent study of my own. I spend an hour each morning investigating real, tough, modern day biblical questions. After I get done, I try to distill the answers into a "Bible Minute" with a short introduction of the topic, a Bible verse or two or three and a short conclusion. I began posting these Bible Minutes on my Facebook page and before long I began to see true miracles. I heard stories of conversions, breakthroughs and restoration of relationships as a result of my studies. Make no mistake; I'm an average guy who just likes reading the Bible. I attended Bible College but after less than a year, I decided that my true calling was being a chiropractor so I'm no biblical scholar. I hope that my compiling the many studies I have done over the last few years and creating this book helps heal your soul, brings you closer to God, and allows you to grow a deeper relationship with Jesus. It is my prayer that this book provides the manna for your spirit, sets your soul free and becomes a true blessing in your life and in the lives of the people you gift this book to.
