

## Night Monkey, Day Monkey

Who's that eating a banana? Swinging from the shower curtain? Making faces in the mirror? Why, it looks like a monkey! But not to Mommy. Mommy knows it's her own monkey boy, and even monkey boys need their sleep. But first, they need to clean up their room and take a bath. Then she'll read a story. "Good night, Monkey Boy . . . and no more bananas!"

**NEW YORK TIMES BESTSELLER** • Jim Panzee, our favorite grumpy monkey, is feeling like quite the Scrooge this holiday season! It's Christmas time in the jungle, and Jim just can't get into the holiday spirit. Then Jim eats a "festive" green banana that makes him feel sick. Now everything seems worse. While all the other animals in the jungle are ready and eagerly awaiting Christmas, Jim can't stop feeling that this time of year stinks. But with his good friend Norman's help, Jim discovers that focusing on the good things around him instead of his own problems, is a reason to celebrate.

"Have you ever been a little anxious about going to a party? Jim Panzee feels that. Porcupine is having a big party, and according to Jim's best friend Norman, there will be--gulp--dancing. Jim can DEFINITELY not dance. When he tells his friends, they all try to teach him cool moves--surely that's the only reason Jim isn't excited about this party! In this hilarious sequel to GRUMPY MONKEY, kids will learn that it's okay not to go with the flow if they're uncomfortable, and that speaking up about what they need can help others speak up, too--and maybe they need the same thing!"--

Night Monkey and Day Monkey don't think they have much in common...but when they each spend time in the other's opposite worlds, they learn a lot. They also learn how to be the best of friends. Julia Donaldson's beloved rhyming picture book story is now available in this fun magnet book format perfect for little hands.

Hang On, Monkey!

Jim Panzee wakes up in a bad mood one beautiful day, but he keeps denying he is grumpy even as his friends give advice for feeling better.

Audisee® eBooks with Audio combine professional narration and sentence highlighting to engage reluctant readers! In the cloud forests of the Amazon Basin, scientists are installing extraordinary numbers of camera traps in the hopes of learning more about an elusive species—woolly monkeys. No one knows for sure how many woolly monkeys are left in the wild. But they play a key role in their ecosystem, and without them the rain forest is in trouble. Join scientists on their quest to solve the mysteries surrounding the lives of woolly monkeys before it's too late. Scan QR codes inside the book to see and hear the monkeys!

Melissa helps a circus clown find the animals that have escaped from his train.

Sleepy little monkey won't get out of bed. Mama called the Doctor and the Doctor said: "Apple Juice, Orange Juice, Gooseberry Pies -- Monkey needs some exercise!" Sleepy little monkeys everywhere will clap, stomp, shake, and cheer -- while chanting this rhythmic, energetic dance song based on a popular playground game. And as they move their heads, hands, hips, and feet -- everyone will be bursting with clapping energy -- and ready to start a new day! With humor, high energy, and Bill Martin Jr's trademark rhythm and rhyme, young readers will learn to name parts of the body. And the book makes a perfect exercise warm-up to start off a busy day of school!

**Grumpy Monkey**

**Monkey with a Tool Belt**

**Grumpy Monkey Party Time!**

**Super Loud**

**Goodnight Monkey**

Everyone loves chocolate, right? But how many people actually know where chocolate comes from? How it's made? Or that monkeys do their part to help this delicious sweet exist? This delectable dessert comes from cocoa beans, which grow on cocoa trees in tropical rain forests. But those trees couldn't survive without the help of a menagerie of rain forest critters: a pollen-sucking midge, an aphid-munching anole lizard, brain-eating coffin fly maggots—they all pitch in to help the cocoa tree survive. A secondary layer of text delves deeper into statements such as "Cocoa flowers can't bloom without cocoa leaves . . . and maggots," explaining the interdependence of the plants and animals in the tropical rain forests. Two wise-cracking bookworms appear on every page, adding humor and further commentary, making this book accessible to readers of different ages and reading levels. Back matter includes information about cocoa farming and rain forest preservation, as well as an author's note.

Night Monkey and Day Monkey don't think they have much in common. But when they each spend time in the other's opposite world, they learn to be the best of friends. From master storyteller, Julia Donaldson, and illustrated by Lucy Richards, this warm-hearted story about friendship and difference is pitch-perfect storytime reading.

Java, Kikim and Bao are three monkeys who live in a zoo. They think the humans who come to visit are funny...

Presents four stories about best friends Monkey and Robot, who celebrate Robot's Built-Day, face an exterminator, take care of a parakeet, and learn important things about babies.

This early graphic novel chapter book based on the #1 New York Times bestselling Grumpy Monkey is perfect for children who love the original picture books and are ready for the next step. Features hilarious dialogue, multiple panels per page, and a longer storyline to keep kids laughing all the way to the end! It's Wednesday! Which means it's time for Jim Panzee's weekly Wednesday walk. He wakes up, stretches a little, grabs his stress orange, and sets off. Jim's favorite part of the walk is the blissful silence. When he's alone, he can hear all the jungle sounds. Until . . . his best buddy, Norman, decides to join him. And before he knows it, Jim is followed by every animal in the jungle. It's all just too much. Now Jim and his not-so-helpful friends are on a quest across the jungle to find another stress orange before it

is too late! A warm and funny chapter book graphic novel about how to handle all of life's ups and downs from the creators of the #1 New York Times bestselling Grumpy Monkey.

It ' s time to go bananas! A determined monkey spies a banana tree across the water. What happens next is an inventive romp, as the resourceful monkey attempts to grab a snack, with some hilarious consequences. Full of energy, surprise, and strong visual storytelling, this practically wordless picture book will entice even the most reluctant reader. The Monkey Goes Bananas is fast-paced, delicious fun that ' s sure to leave young readers hungry for another read. Praise for The Monkey Goes Bananas "This predominantly wordless picture book delivers a substantial helping of slapstick." --Kirkus Reviews "There is a slapstick element to the humor (the monkey is flung around with some regularity), which will resonate with readers as they turn each page to see what the monkey will try next. Throw in an opportunistic shark with an empty belly, and the pieces are in place for a laugh-out-loud story that should earn plenty of repeat readings." --Booklist "Kids will jump right into this rip-roaring flip book–paced tale." --School Library Journal

Audisee® eBooks with Audio combine professional narration and sentence highlighting for an engaging read aloud experience! Inspiration for the Netflix series Chico Bon Bon! Whether you need a beebersaw or a chisel, Chico Bon Bon's your monkey. He can build or fix just about anything—from a dock for the ducks to a clock for the Clucks, even a small roller coaster for local chipmunks. But will his tools and his sharp wit save him when an organ grinder sets his sights on making Chico a circus star? Chris Monroe's quirky hero and detailed illustrations will absorb readers in an entertaining adventure that shows there is an inventive way out of every problem—if you have the right tools.

This beautiful gift box set includes the picture book and true-to-character plush toys of Night Monkey and Day Monkey. Julia Donaldson ' s enchanting picture book story is about two monkeys who are as different as night and day. Night Monkey and Day Monkey don ' t think they have much in common. But when they each spend time in the other's opposite worlds, they learn a lot. And they also learn to be the best of friends. One of the finest rhyming picture book stories from Julia Donaldson, the author behind The Gruffalo and What The Ladybird Heard, and beautifully illustrated by Lucy Richards. Beautiful plush toys of both monkeys accompany the book. They can be used separately and can also hold hands as the characters do in the picture book. This story is perfect for story-led play, children can re-enact the adventures as they learn about the difference between dark and light.

Wake Up Do, Lydia Lou!

Night Monkey, Day Monkey Magnet Book

The Flying Monkey

Good Night, Monkey Boy

Have you ever seen a hot-air balloon? Hot-air balloons can go up very high. Max Monkey went for a ride in a hot-air balloon. It went up very high and something funny happened.

One night at bedtime, Rory's mother tells him about the "magic sky." The little polar bear is so excited to see it. But how long will he have to wait? The magic sky that Rory sees is a real phenomenon called the Aurora Borealis (or Northern Lights) and can be seen in the Arctic and far northern hemisphere.

Everyone's favorite New York Times bestselling Grumpy Monkey is back in this hilarious bedtime story about dealing with frustration when you don't get to do what you want! Have you ever stayed up way past your bedtime? Jim Panzee certainly has. Jim is going to a slumber party and there's LOTS to do. Jim plans on bobbing for mangoes, going termite fishing, and of course staying UP ALL NIGHT! But Jim gets more than a little frusrated when all the things he wanted to do go awry. One by one, everyone else falls asleep, while Jim is determined to stay up. How long will he last? In this delightful follow up in the GRUMPY MONKEY series, kids see what happens when you stay awake too late!

A motley crew of saboteurs wreak outrageous havoc on the corporations destroying America's Western wilderness in this classic, comic extravaganza. When George Washington Hayduke III returns home from war in the jungles of Southeast Asia, he finds the unspoiled West he once knew has been transformed. The pristine lands and waterways are being strip mined, dammed up, and paved over by greedy government hacks and their corrupt corporate coconspirators. And the manic, beer-guzzling, rabidly antisocial ex-Green Beret isn't just getting mad. Hayduke plans to get even. Together with a radical feminist from the Bronx; a wealthy, billboard-torching libertarian MD; and a disgraced Mormon polygamist, Hayduke's ready to stick it to the Man in the most creative ways imaginable. By the time they're done, there won't be a bridge left standing, a dam unblown, or a bulldozer unmolested from Arizona to Utah. Edward Abbey's most popular novel, *The Monkey Wrench Gang* is an outrageous romp with ultra-serious undertones that is as relevant today as it was in the early days of the environmental movement. The author who Larry McMurtry (*Lonesome Dove*) once dubbed "The Thoreau of the American West" has written a true comedic classic with brains, heart, and soul that more than justifies the call from the Los Angeles Times Book Review that we should all "praise the earth for Edward Abbey!"

Year of the Monkey

Night Monkey, Day Monkey

*The children are having a picnic at the zoo. Naughty Max Monkey is looking at their picnic food. He is hungry. Read to see what he does.*

*Simple text and photographs describe the behavior of monkeys.*

*From the National Book Award-winning author of *Just Kids* and *M Train*, a profound, beautifully realized memoir in which dreams and reality are vividly woven into a tapestry of one transformative year. Following a run of New Year's concerts at San Francisco's legendary Fillmore, Patti Smith finds herself tramping the coast of Santa Cruz, about to embark on a year of solitary wandering. Unfettered by logic or time, she draws us into her private wonderland with no design, yet*

*heeding signs--including a talking sign that looms above her, prodding and sparring like the Cheshire Cat. In February, a surreal lunar year begins, bringing with it unexpected turns, heightened mischief, and inescapable sorrow. In a stranger's words, "Anything is possible: after all, it's the Year of the Monkey." For Smith--inveterately curious, always exploring, tracking thoughts, writing--the year evolves as one of reckoning with the changes in life's gyre: with loss, aging, and a dramatic shift in the political landscape of America. Smith melds the western landscape with her own dreamscape. Taking us from California to the Arizona desert; to a Kentucky farm as the amanuensis of a friend in crisis; to the hospital room of a valued mentor; and by turns to remembered and imagined places, this haunting memoir blends fact and fiction with poetic mastery. The unexpected happens; grief and disillusionment set in. But as Smith heads toward a new decade in her own life, she offers this balm to the reader: her wisdom, wit, gimlet eye, and above all, a rugged hope for a better world. Riveting, elegant, often humorous, illustrated by Smith's signature Polaroids, Year of the Monkey is a moving and original work, a touchstone for our turbulent times.*

*Julia Donaldson's beloved rhyming picture book story about two monkeys who are as different as night and day - now with shiny cover foil! Night Monkey and Day Monkey don't think they have much in common. But when they each spend time in the other's opposite world, they learn to be the best of friends. From the author of the beloved classic *Where the Red Fern Grows* comes a timeless adventure about a boy who discovers a tree full of monkeys. The last thing fourteen-year-old Jay Berry Lee expects to find while trekking through the Ozark Mountains of Oklahoma is a tree full of monkeys. But then Jay learns from his grandpa that the monkeys have escaped from a traveling circus, and there's a big reward for the person who finds and returns them. His family could really use the money, so Jay sets off, determined to catch them. But by the end of the summer, Jay will have learned a lot more than he bargained for—and not just about monkeys. From the beloved author of *Where the Red Fern Grows* comes another memorable adventure novel filled with heart, humor, and excitement. Honors and Praise for Wilson Rawls' *Where the Red Fern Grows*: A School Library Journal Top 100 Children's Novel An NPR

Must-Read for Kids Ages 9 to 14 Winner of 4 State Awards Over 7 million copies in print! "A rewarding book . . . [with] careful, precise observation, all of it rightly phrased." "The New York Times Book Review "One of the great classics of children's literature . . . Any child who doesn't get to read this beloved and powerfully emotional book has missed out on an important piece of childhood for the last 40-plus years." "Common Sense Media "An exciting tale of love and adventure you'll never forget." "School Library Journal

A fantastic new picture book all about a football-playing spider, written by Julia Donaldson, author of *The Gruffalo*, with glorious full colour illustrations from the talented Sebastian Braun and a sparkling, glittery foiled cover. Spinderella the spider has a passion for football! She tries to play a match with her brothers and sisters but she doesn't know how many spiders should be on each team. Even worse, she can't count the goals! Luckily for Spinderella, her Hairy Godmother has a plan . . . Julia Donaldson does it again in this hugely engaging and funny story all about football, spiders and counting - what's not to love! The perfect picture book for children of all ages - boys and girls alike. Julia Donaldson is the internationally renowned author of the best-loved picture books in the world, including *The Gruffalo*, *What the Ladybird Heard*, *Sugarlump and the Unicorn* and *Night Monkey, Day Monkey*. Julia Donaldson's collaborations with Axel Scheffler have sold millions of copies, and *Room on the Broom* is now an Academy Award-nominated short film. Sebastian Braun studied fine and applied arts at Strasbourg University. He moved to London in 2000 and since then has been working exclusively on children's picture books, having been published by Orchard, Walker, Campbell, HarperCollins and Puffin.

Night Monkey, Day Monkey

Read Along or Enhanced eBook: When two greedy jungle cats discover a large piece of cheese, they can't decide how to divide it fairly. The clever monkey comes to their rescue. Or so they think. After reading this trickster tale from West Africa, you will think twice before asking a monkey for help.

Baby Monkey, Private Eye

Grumpy Monkey Freshly Squeezed

The Monkey Goes Bananas

*Will anything wake Lydia Lou? A sweet and funny rhyming story from the author of The Gruffalo.*

*In the highest branches of a rain forest tree, a monkey is hanging by its tail from a branch as it gathers tasty leaves with its small hands. The acrobatic tree-dweller is a spider monkey, and it's foraging for food high in the treetops with members of its family. Filled with information perfectly suited to the abilities and interests of its second-grade audience, this colorful, fact-filled volume introduces young readers to the everyday life of a spider monkey. How is the animal's body adapted to its treetop life? What does a spider monkey eat? How does it move from tree to tree? And how do spider monkey families spend their days and raise their young? Throughout the book, readers*

*are encouraged to make scientific observations based on the book's images and answer questions about the lives and physical characteristics of these agile creatures. This innovative approach to teaching about wild animals gives young scientists the chance not only to read and learn the facts, but also to develop their own powers of observation and critical thinking.*
