Oxford Student's Science Dictionary 2020

Oxford Student's Dictionary of English. Interactive Pack: Wörterbuch Mit CD-ROM

This book tells the history of the Oxford English Dictionary from its beginnings in the middle of the nineteenth century to the present. The author, uniquely among historians of the OED, is also a practising lexicographer with nearly thirty years' experience of working on the Dictionary. He has drawn on a wide range of sources-including previously unexamined archival material and eyewitness testimony-to create a detailed history of the project. The book explores the cultural background from which the idea of a comprehensive historical dictionary of English emerged, the lengthy struggles to bring this concept to fruition, and the development of the book from the appearance of the first printed fascicle in 1884 to the launching of the Dictionary as an online database in 2000 and beyond. It also examines the evolution of the lexicographers' working methods, and provides much information about the people-many of them remarkable individuals-who have contributed to the project over the last century and a half.

The Oxford English Dictionary

Comprehensive coverage of current English in a compact paperback edition with colour design, together with a special section, specifically tailored to the needs of students, offering advice on essays and dissertations, research, and note-taking, and help with basic English grammar.

The OPD Second Canadian Edition English/Chinese is an illustrated, theme-based dictionary for second-language learners. This four-colour dictionary defines words through pictures, and presents each new word in context. The OPD English/Chinese, along with the monolingual workbooks and manyother components, can be used as a reference book or as text for high school or adult ESL students at the beginner level.For years, the first monolingual Canadian edition of the OPD has been the industry leader among picture dictionaries. The second edition expands on the topics covered, providing more depth of vocabulary in the areas that matter most to students and offers Chinese speakers the additional advantage ofhaving words and phrases defined in their native language. The illustrations have been completely updated in a more realistic style that is visually appealing to adult learners.The second edition also contains two new features: Introductory Pages and Story Pages. The Introductory Pages have been added to the beginning of each theme to give lower-level students a basic overview of key vocabulary words, and to give a starting point for discussion and an introduction to thetheme for more advanced students. The Story Pages consist of a two-page spread at the end of each theme to help students use the words in context and practise their reading skills.The OPD English/Chinese is designed for use both in and out of the classroom. Speaking exercises are presented throughout the OPD to allow students to practise new vocabulary in pairs or small groups, while the pronunciation guide in the index allows students to check their pronunciation when theyare studying on their own.

The Oxford Student's Dictionary contains 50,000 cross-curricular words and phrases, including technical vocabulary for the student aged 11+ years. It also includes 10,000 word origins, synonyms and usage notes. The easy pronunciation guides, style and subject labels and derived words all make this an excellent dictionary for the KS3 student.
