

History Alive Medieval World Beyond Answers

Life, liberty, and the pursuit of happiness are prescribed ideals in America of 2050. The Moral Authority, the nation's newest branch of government, has virtually eliminated crime, poverty, and most social ills, but it also rules the land with a tyrannical fist, championing ignorance and brandishing fear. Mark Bryan is a gay man whose existence brands him an outlaw; Isaac Montoya is a charming stranger, who entices Mark to defy moral law; and Samuel Pleasant runs the Moral Authority and plans to punish moral offenders and a rebellious uprising-no matter the cost. Will liberty and justice return for all? A heavenly shade of blue was always in her eyes and her innocent smile captured the hearts of many. But even a beautiful smile can cover the ugliest of things. Who would've ever known that the beautiful and loving Princess Marris would fall victim to a very dark and hostile scheme, conjured up by something that is as old as time? No one did—not even Tairren, who was one of Marris's dearest friends. Overtaken by Marris's beauty and charm, Tairren was very much in love with her and would do anything for her—even if that meant facing the overwhelming powers of darkness... It was on Marris's long awaited sixteenth birthday, her engagement to Prince Phillip and the day before her enthronement to the kingdom of Ishkar, when it happened. When Marris is abducted by someone she had always trusted, she is forced into the Forbidden Lands of Minslethrate and awakens upon a plot that would shake the world. With the company of his very different comrades, the unconventional Lady Natalia and the arrogant Prince Phillip of Ishkar, Tairren travels across the uncertain lands of Minslethrate to rescue Marris. They begin to realize that their precarious situation is dealing with more than just a kidnapped princess—that's just the beginning... They must trust in the unseen God of Light and have faith in a legend that they don't even understand. While their beloved princess awaits a terrifying fate, they must become awakened by light if they are to face their own dark quest... Prophecy stirs, blood spills, light burns and darkness screams—revealing The Last Legend...

The Medieval World and Beyond Sample Lesson

Book of Beasts

History Alive

The authors of this book explain the differences between managing by the 3-Ps (Proximity, Position, and Persuasion) and the 3-Cs (Clarity, Consistency, and Connectivity). Leaders who employ the 3-Ps manage with a focus on the individual. Leaders who use the 3-Cs, however, manage by weaving personal leadership techniques with a process of managing the business or organization that has proven extremely effective during the decade since it was introduced. It's a way to lead a company or organization that leaves a legacy of sustained growth and success for those who come after the leader to latch onto and continue. The book is written as a business novel. What is learned on the protagonist's journey is expanded upon in a lesson at the conclusion of each chapter. Readers are then invited to assess their own legacy potential by completing a self-assessment. The management process this book contains is now being employed successfully not only by small and medium size businesses, but also by Fortune 500 companies, successful municipalities, and the United States Army.

This is the story of a young woman living in the Midwest, attempting to have a peaceful, normal life just like anyone else. Coworkers and neighbors know very little about her, assuming her to be reclusive and odd. They are unaware of the gruesome secrets she hides from every day. There are a few, however, who do know her secrets, but they are missing one important detail... where she is currently hiding. For many years she has eluded capture, but her history is about to catch up with her in more ways than one. Not only is the darkness of her past about to ascend, her past will also become her savior. Loving Lily witnesses one woman's struggle to overcome a terrible past and internal demons in order to be free to love and to live.

The Misses Institute is thrilled to bring back this popular guide to ridiculous economic policy from the ancient world to modern times. This outstanding history illustrates the utter futility of fighting the market process through legislation. It always uses despotic measures to yield socially catastrophic results. It covers the ancient world, the Roman Republic and Empire, Medieval Europe, the first centuries of the U.S. and Canada, the French Revolution, the 19th century, World Wars I and II, the Nazis, the Soviets, postwar rent control, and the 1970s. It also includes a very helpful conclusion spelling out the theory of wage and price controls. This book is a treasure, and super entertaining!

History Alive! Pursuing American Ideals centers on the five founding ideals from the Declaration of Independence: equality, rights, liberty, opportunity, and democracy. Each generation has struggled with these ideals. Some have made little progress toward achieving them. Others have made great progress. This book invites students to become engaged in this struggle, from establishing an American republic to the making of modern America. --Website.

"This publication is issued on the occasion of the exhibition Book of Beasts. The Bestiary in the Medieval World, on view at the J. Paul Getty Museum at the Getty Center, Los Angeles, from May 14 to August 18, 2019."

The Translation of this venerable Piece of Antiquity is undertook upon a double Score: being designed as well to entertain the Curiosity of the Learned, as to supply the Defects of the Ignorant. If the original Language would have been more acceptable to the one, it would have been less intelligible to the other. I cannot, without uttering a Falshy, venture to affirm that so singular and valuable a Piece will be made Public, at least as yet: And in the mean Time I shall flatter myself, that this little Essay may contribute in some sort or other to the diversion, if not Instruction, of People in every Condition of Life. If this is well received, the other Parts will make their Appearance at proper Distances of Time. I publish no more at present, because I would not be thought to impose too much upon any one's Patience; as for losing my own Labour, I am under no bad Apprehensions about that; for the Reader cannot reject with a greater Disdain, than I have translated with Pleasure, the Contents of this Book.

The Medievalist

I Excel in Math, So Do You!

This important and overdue book examines illuminated manuscripts and other book arts of the Global Middle Ages. Illuminated manuscripts and illustrated or decorated books—like today’s museums—preserve a rich array of information about how premodern peoples conceived of and perceived the world, its many cultures, and everyone’s place in it. Often a Eurocentric field of study, manuscripts are prisms through which we can glimpse the interconnected global history of humanity. Toward a Global Middle Ages is the first publication to examine decorated books produced across the globe during the period traditionally known as medieval. Through essays and case studies, the volume’s multidisciplinary contributors expand the historiography, chronology, and geography of manuscript studies to embrace a diversity of objects, individuals, narratives, and materials from Africa, Asia, Australasia, and the Americas—an approach that both engages with and contributes to the emerging field of scholarly inquiry known as the Global Middle Ages. Featuring 160 color illustrations, this wide-ranging and provocative collection is intended for all who are interested in engaging in a dialogue about how books and other textual objects contributed to world-making strategies from about 400 to 1600.

This work has been selected by scholars as being culturally important, and is part of the knowledge base of civilization as we know it. This work was reproduced from the original artifact, and remains as true to the original work as possible. Therefore, you will see the original copyright references, library stamps (as most of these works have been housed in our most important libraries around the world), and other notations in the work. This work is in the public domain in the United States of America, and possibly other nations. Within the United States, you may freely copy and distribute this work, as no entity (individual or corporate) has a copyright on the body of the work. As a reproduction of a historical artifact, this work may contain missing or blurred pages, poor pictures, errant marks, etc. Scholars believe, and we concur, that this work is important enough to be preserved, reproduced, and made generally available to the public. We appreciate your support of the preservation process, and thank you for being an important part of keeping this knowledge alive and relevant.

Kids driving you nuts? Don't hide in the closet with a box full of cookies. TEACH Your Children How to Behave! Have you ever wondered how teachers can get a class of 20 to 30 little ones to sit still, listen carefully and follow directions while you sometimes struggle to manage with only two or three? It's not magic.

The truth is teachers spend years in the classroom learning strategies that get kids to listen--strategies that will work for you too! In "TEACH Your Children How to Behave," you'll learn how to: Set reasonable expectations for your children's unique ages, personalities and ability levels. Prevent your children's bad behavior BEFORE it starts. Choose consequences that really work! Respond to 25 of the most common behavior problems parents deal with today--problems including arguing, hitting, lying, attitude problems, whining and more! Teach your child how to make better choices in the future, so you aren't repeating yourself again and again. Your children want to behave! they just don't always know how. You have to teach them. And it's a lot easier than you might think. Say goodbye to endless arguments and constant power struggles. TEACH your children how to behave and enjoy spending time as a family once again! This book will show you how.

Helping students succeed in three main parts: class involvement activities, reading this book, and writing about your learning in an interactive notebook.

The author shares the "secrets" of his successful learning in Math with readers in simple and clear terms. It takes the readers to discover the study techniques needed in Math and unleash their individual potential. It is the perfect book for students, parents, educators and anyone who wants to enhance their Math learning. If you want to excel in Mathematics, this is the book for you!

The Medieval World Complete re-creates one of the great ages of European civilization through a sequence of spectacular images accompanied by a lively, informed commentary. Ingeniously organized by topic and thoroughly cross-referenced, this all-embracing book enables the reader to explore and understand every facet of the Middle Ages, an era of breathtaking artistic achievement and of religious faith in a world where life was often coarse and cruel, cut short by war, famine and disease. Framed by chapters that outline the way the Middle Ages began and ended, the book consists of six sections encompassing religion and the Church, nations and law, daily life, art and architecture, scholarship and philosophy, and the world beyond Christendom. The book is completed by biographies of key personalities, from Charlemagne to Wycliffe, and timelines, maps, a glossary, gazetteer and bibliography.

The Secret History of Pythagoras

This is the story of Galicia, once a crown land of the Austrian Empire, located in the center of Europe. Although largely forgotten today, Galicia was a vibrant, multicultural place where the lives of numerous ethnic and religious groups were intertwined for generations. Galician Trails explores every facet of this long-gone land, from tiny farming villages tucked into mountain passes, to towns filled with a variety of small industries and craftspeople, to modern cities with the conveniences of the late nineteenth and early twentieth centuries. The political struggles and wise compromises that kept Galicia's citizens together for centuries, and the tragic forces that ultimately tore Galicia apart, unfold here before our eyes. When Andrew Zalowski set out to learn a bit more about his grandmother, little did he know that he was embarking on the journey of a lifetime-one that would take him back to Faraway Galicia. Along the way, he encountered many of its ancestors, from simple sheep farmers to nobles, from men who helped establish railroads-the exciting new technology of the late nineteenth century-to pioneering professional women of the early twentieth. One of the latter was the author's grandmother, Helena Regiec-Sobolewska, a talented educator and a determined, independent woman. She raised a daughter single-handedly through the turmoil of the Great War and the little-known conflicts that followed it. Although the real Galicia disappeared from maps long ago, it will live on in the memory of anyone who travels there through the richly illustrated pages of Galician Trails. This book is for you if you are interested to discover the rich lives of those who lived in Galicia in the nineteenth and twentieth centuries. Find out something about your Austrian, Jewish, Polish, or Ukrainian ancestors who once lived in the land that is divided today between Poland and Ukraine. See how new mixed with old to change people's lives. Learn little-known details of how World War I and the events that followed forever changed the lives of the people of Galicia.

The adventure of a lifetime is only one click away! Sid Cooper, a fifth grade history buff, gets the chance of a lifetime to visit the Taj Mahal in the enchanted land of India. After a setback and a change in plans, Sid and his friend Raj are magically transported... 350 years into the past, to when the monument was still being built. Things get crazier when they encounter Emperor Shah Jahan, who is furious because precious gems crucial to the completion of the Taj Mahal are missing. The excitement of actually becoming a part of history fuels their sense of adventure and they decide to find the gem thief, but there's just one problem. Even if Sid and Raj find the missing gems needed to complete the Taj, how will they get back to the present? In Missing Gems of the Taj Mahal, author Lyndon Creejo transports young readers on a magical journey. The sights and sounds of ancient India come alive in a beautiful tapestry that both educates and entertains. They can follow along as Sid and Raj try to save history - and themselves - while learning all about the history of the Taj Mahal, as well as the efforts to preserve this wonder of the modern world. Aside from fascinating recent pictures, Sid's journey comes to life with beautiful illustrations by fifth grader Ananya Chopra. She's a lot like Sid - friendly, adventurous, and unwilling to let anything stop her from pursuing her dreams. Your young reader will feel the same way after reading this book. And as the first book in the Mysteries in History series, they can learn about the Taj Mahal and one of the oldest civilizations on Earth before taking a journey across the globe in future books. So let your child open their minds and their hearts to this exciting tale... as a magical land of adventure awaits.

A modern woman in the court of King Richard III is torn between saving the man she loves and stopping a historic wrong in this time-travel romance. English historian Jayne Lyons has pinned her career hopes on proving that her ancestor, King Richard III, was not the nefarious villain of Shakespeare's tragedy. In fact, she believes he is innocent of the infamous murder of the Princes in the Tower. But while volunteering with the search for his missing grave, Jayne gets a much closer look at Richard than she expected. Cast back into the brutal 15th century, she suddenly finds herself in the middle of Richard's army camp. Realizing that she may not be able to return home, Jayne begins to adjust to her new life. And the more she gets to know the true Richard, the more she is drawn to him. She even starts entertaining the hope of saving him. But the Princes are missing, and all evidence points to Richard. When he asks her to spy for him against his enemy, Henry Tudor, she must decide whether to help the man she loves, even though he may be one of history's greatest villains. THE 2018 RONE AWARD WINNER FOR BEST IN TIME TRAVEL.

The legendary Bruce Lee was one of the most influential martial artists of the 20th Century. But Lee's physical abilities were only the tip of the iceberg. Besides being one of the world's top martial artists and cinematic superstar, Bruce Lee was also a philosopher and one of the original champions of self-help and human achievement. As Lee evolved his revolutionary, "non-restrictive" approach to martial art training and combat, he simultaneously evolved a unique, non-restrictive philosophy toward life and living. Built around the same fundamental principles he applied to his martial art, the central theme of this philosophy is "personal liberation" -- liberation of body, mind, and spirit through greater self-knowledge. Here, for the first time, are the fundamental tenets of Lee's philosophy of self-actualization and personal liberation taken out of the martial arts arena and put into the arena of daily living. A ground-breaking guide, LIBERATE YOURSELF doesn't offer you a set, rigid, one-size-fits-all philosophy, but rather a fluid set of operating principles you can use to cultivate a flexible, highly adaptable attitude toward living life to its fullest, develop the skills and confidence required to free yourself from the chains of limitation, whether of physical or psychological origin, and raise your living to the level of an art form. LIBERATE YOURSELF can help you: - Become more at ease with yourself and the world around you - Take charge of your attitude and fully realize your innate potential in all aspects of your life - Adapt to and deal effectively with whatever situation you find yourself in - Break down barriers and overcome obstacles that keep you from achieving your goals and enjoying success

Discusses the techniques, uses, and aesthetics of medieval drawings; and reproduces work from more than fifty manuscripts produced between the ninth and early fourteenth century. Test your knowledge of the world's most notorious prison with this True or False book of Alcatraz history, spanning over 200 years! Learn of the Civil War period on the island when a Fortress stood on top. Discover how the Civil War Fortress eventually became a Military prison for defectors and uncooperative Native Americans of the day. Experience the secret prison of all prisons, where the worst of the worst were sent, Alcatraz Penitentiary, which kept the likes of Al Capone, Machine Gun Kelly and Robert Stroud (The Birdman of Alcatraz). When the island closed in 1963, it lay dormant, until an important political stand for the Native Americans helped paved the way for a people holding strong to their culture in the Indian Occupation. Today the island is part of the National Park Service and is home to a number of sea birds as they nest each year amongst the well-kept gardens of Alcatraz. As you test your knowledge of the island and its history you can also experience it first hand as you see it come alive with full-color 3-D photos, many of which will show you places even the public can't go. So settle back and see if you can gage your Alcatrivia and have fun peering through the prison in 3-D. PLEASE NOTE: Red and Blue 3-D, paper glasses are not included and may be purchased elsewhere on Amazon.

True Or False 3-D

In its two-thousand-year history, the Catholic Church remains an unchanging yet developing entity. Since the church's infancy, Catholic theologians have referenced the "deposit of faith," which in early years referred to the written or orally revealed doctrines that formed the backbone of church teaching. Through the centuries, the definition came to be understood as the word of God, delivered through Jesus Christ and passed on to his apostles. Still, the deposit included both oral and written traditions and provided moral direction. The Second Vatican Council brought about many changes in the church, and once again, bishops and theologians addressed the deposit of faith. This invaluable concept came to be seen, not as mere dogma, but the expression of faith embodied in the words and deeds of Christ. The deposit is relevant to all elements of Catholic life: prayer, sacraments, and moral living. While the deposit has always addressed divine revelation, the post-Vatican II definition directs the faithful to think holistically. Hubert M. Sanders Jr.'s Deposits of Faith is intricate Catholic theology for the lay reader. It encourages Catholics to reach beyond dogma and written instructions to embrace the fullness of the Christian experience in all aspects of life.

"Between the fall of the Roman Empire and the brief, brilliant cultural phenomenon we call the Renaissance lay the Middle Ages-- fully 1,000 years of artistic, philosophical, political, and religious turmoil and treasures. This course offers an interdisciplinary look at medieval society and culture, with an emphasis on literature, the arts, and the tumultuous historical forces at work from A.D. 500 through A.D. 1500. Medieval Europe was the world of cathedrals and universities; pilgrimages and saints; the Black Death; the Vikings; the spread of Islam; the Crusades; and the forging of the Greek, Latin, Old Norse, and ancient Germanic and Celtic tongues into the languages we speak today"-Publisher provided.

A medieval world, a expert in 21st Century Guerrilla Warfare. What would happen if the two combine? Something dark is brewing on a planet far across dimensions, threatening to eat its way through the thin boundaries of time and space. On the planet Corvalis, just as war is near, the gods send a champion to defend the lands from evil. A simple man from Earth, John is selected to inhabit the body of a warrior of this strange new world, in the hopes that he might guide kingdoms to not only victory, but also the survival of multiple races. He is the gods' champion, and his arrival signals the precursor to a great unknown conflict. The Korath. The Illian. The Wolven. The Dark Ones. Kingdoms of different cultures and species clash as they struggle to learn about this new champion, and prepare for the coming conflict. But John soon discovers that the gods do not always work together. Soon more champions arrive, and the inhabitants of Corvalis grow concerned. There has never been more than one champion. Ever. As the kingdoms wonder what disaster awaits them, fear grips the world, as tension mounts. But John will not permit total annihilation to overcome the inhabitants of Corvalis for one very good reason. There is a United States Marines with a bad attitude, and no mercy, about to open up one huge can of whoop ass on their foes and the enemy doesn't stand a chance. Because Marines are always faithful! Approximately 87,000 words. Professionally edited by Bill De Herder. Author of Creative Wordsmithing.

The Last Legend

The Forgotten Story of One Family

Earliest Christian art - Saints and holy places - Holy images - Artistic production for the wealthy - Icons & iconography.

Is there someone God has laid on your heart that you've been unable to reach with traditional methods? When sharing the gospel with your children, grandchildren, coworkers, and neighbors, does it feel like you are walking in a foreign land? If you said, yes, you have found your guide. Cheri Cowell reveals the cultural and relational differences making traditional faithsharing ineffective with this current generation, and then provides a solution as ancient as the Scriptures, yet as fresh (and refreshing) as today's news. What is this new/old way? Through a fictional story thread running through each chapter, you will be introduced to an ancient/future way of sharing The Story. Here, you will meet eight people just like those you long to reach with the life-giving message of Christ, and six people who speak this new language of faith. Alongside these stories, you will also hear The Story retold as it relates directly to the needs of these eight and, likewise, to those in your own life.
