The Merchant of Venice has been performed more often than any other comedy by Shakespeare. Molly Mahood pays special attention to the expectations of the play's first audience, and to our modern experience of seeing and hearing the play. In a substantial new addition to the Introduction, Charles Edelman focuses on the play's sexual politics and recent scholarship devoted to the position of Jews in Shakespeare's time. He surveys the international scope and diversity of theatrical interpretations of The Merchant in the 1980s and 1990s and their different ways of tackling the troubling figure of Shylock.

"'Will you walk into my parlour,' said the Spider to the Fly..." is easily one of the most recognized and quoted first lines in all of English verse. But do you have any idea how the age-old tale of the Spider and the Fly ends? This enduring verse from Mary Howitt dates back to the nineteenth century, but its warning - to beware the wiles of flattery - remains today as relevant as ever. Now in its tenth year, celebrated artist Tony DiTerlizzi, drawing inspiration from his love of classic Hollywood horror movies of the 1920s and 1930s, shines a cinematic spotlight on Mary Howitt's warning, written to her own children about those who use sweet words to hide their not-so-sweet intentions. Featuring new jacket art and a commemorative poster this special 10th anniversary edition of the quintessential cautionary tale is a must have!
