Over the last decade, teaching assistants (TAs) have become an established part of everyday classroom life. TAs are often used by schools to help low-

Get Free Teaching Assistant Study Guides

attaining pupils and those with special educational needs. Yet despite the huge rise in the number of TAs working in UK classrooms, very little

Get Free Teaching Assistant Study Guides

is known about their impact on pupils. This key and timely text examines the impact of TAs on pupils' learning and behaviour, and on teachers and teaching.

Get Free Teaching Assistant Study Guides

The authors present the provocative findings from the ground-breaking and seminal Deployment and Impact of Support Staff (DISS) project. This was the largest,

Get Free Teaching Assistant Study Guides

most in-depth study ever to be carried out in this field. It critically examined the effect of TA support on the academic progress of 8,200 pupils, made

Get Free Teaching Assistant Study Guides

extensive observations of nearly 700 pupils and over 100 TAs, and collected data from over 17,800 questionnaire responses and interviews with over 470 school

has shown schools are not making the most of this valued resource. Evidence shows the more support pupils receive from TAs, the less academic progress they made. Yet the reason for this has little to do with TAs. It is decisions made about

Get Free Teaching Assistant Study Guides

them by school leaders and teachers that best explain this provocative finding. The fully updated second edition of this book draws on the experiences of schools that have put this guidance into action via the Maximising the Impact of Teaching

Written in the context of recent legislation in England and guidance to schools, this is a practical handbook for learning support assistants and teachers working with

Get Free Teaching Assistant Study Guides

them. It can be used to ensure that: support assistants know what to expect of colleagues and colleagues know what to expect from support assistants; children are given the best support possible by

Get Free Teaching Assistant Study Guides

support assistants who understand the nature of their needs; support assistants and teachers work together effectively to support the child with special needs; and that training is relevant and helpful.
