*Aram Raythe has the power to challenge the gods. He just doesn't know it yet. Aram thinks he's nothing but a misfit from a small fishing village in a dark corner of the world. As far as Aram knows, he has nothing, with hardly a possession to his name other than a desire to make friends and be accepted by those around him, which is something he's never known. But Aram is more. Much, much more. Unknown to him, Aram bears within him a gift so old and rare that many people would kill him for it, and there are others who would twist him to use for their own sinister purposes. These magics are so potent that Aram earns a place at an academy for warrior mages training to earn for themselves the greatest place of honor among the armies of men: dragon riders. Aram will have to fight for respect by becoming not just a dragon rider, but a Champion, the caliber of mage that hasn't existed in the world for hundreds of years. And the land needs a Champion. Because when a dark god out of ancient myth arises to threaten the world of magic, it is Aram the world will turn to in its hour of need.*

*A mortally wounded R'shiel seeks the healing powers of the believed-extinct magical Harshini, while Tarja and the Defenders consider an alliance with a long-time adversary in order to protect themselves against Karien invaders.*

It is eight years since Marla Wolfblade buried her second husband. In that time, she has become the power behind Hythria's throne -- as much from a desire to control her own destiny in any way she can, as to protect her son, young Damin. But while Marla plays the games of politics and diplomacy, the High Arrion of the Sorcerers' Collective is plotting to destroy her -- and the entire Wolfblade line. And while Marla's power and fortune are great, they may yet not be enough to protect herself and her family from the High Arrion's wrath -- and her only ally and confidant, Elezaar the Fool, is toying with the idea of betrayal. For he has discovered that the infamous Rules of Gaining and Wielding Power are not so useful when his own family is involved... *Like so many of her young compatriots, Lili Lin lives on the margins of society—she has been jailed for “having a corrupt lifestyle and hooliganism,” and at 24 she is unemployable because she doesn't have connections and unmarriageable because she isn't a virgin. Estranged from her parents, restless and cynical, she drifts from day to day. Then she meets an American journalist infatuated with China, who gradually opens her eyes to what is happening. Together they embark on a journey that will profoundly change Lili's view of her country and of herself.*

R'shiel, daughter of the First Sister of the Blade, and her half-brother, Tarja, a Captain of the Defenders, become caught up in a rebellion against the Sisterhood, the rulers of Medalon.

Following the sudden end of her marriage, Annabelle Beck returns from Melbourne to the sanctuary of her old family home in North Queensland. There she discovers that the former stockman, Bo Rennie, knows her from her childhood.

How do you go about killing yourself when you are an immortal? Is it even possible? Jennifer Fallon explores this tantalizing puzzle in The Gods of Amyrantha, the second in her Tide Lords series. Such as Arkady Desean, an expert on the legends of the Tide Lords who has discovered the truth about Cayal...and captured his heart. Yes, the Tide Lords will walk upon the earth once more and, with the power that surges through the cosmos, stand poised to wreak havoc on all that humans hold dear. Upon reading an advertisement in an up-scale women's magazine that stated excellent pay was being offered for a five year, foreign service position, provided the applicant passed rigorous intelligence, appearance, and aptitude tests. Susan Henderson's voyage continues when she is inducted into different deviant training programs. Much to her distress, she soon discovers what it is like to be a domestic animal and spends a substantial length of time in this role. She is eventually freed to be taken on a shopping expedition in the real world, controlled thoroughly at all times. *The final reckoning has come: the future of the Land will be decided now and written in the blood of men. After his pyrrhic victory at Moorview, King Emin learns the truth about the child Ruhen - but he is powerless to act. Instead, he must mourn his dead friends while his enemy promises the beleaguered peoples of the Land a new age of peace. The past year has taken a grave toll: the remaining Menin troops seek revenge upon Emin, daemons freely walk the Land, and Ruhen's power is increasing daily. And yet, a glimmer of hope remains. There is one final, desperate chance for victory: a weapon so terrible only a dead man could wield it, and only a madman would try. But if they do not grasp this opportunity, King Emin and his allies will be obliterated as Ruhen's millennia-old plans are about to bear terrible fruit. If his power continues unchecked, Ruhen will achieve total dominion - and not just over mankind, but over the Gods themselves.*

*In a land ruled by prophecy and the whims of Gods, a young man finds himself at the heart of a war he barely understands, wielding powers he may never be able to control. Isak is a white-eye, feared and despised in equal measure. Trapped in a life of poverty, hated and abused by his father, Isak dreams of escape, but when his chance comes, it isn't to a place in the army as he'd expected. Instead, the Gods have marked him out as heir-elect to the brooding Lord Bahl, the Lord of the Fahlan. Lord Bahl is also a white-eye, a genetic rarity that produces men stronger, more savage and more charismatic than their*

normal counterparts. Their magnetic charm and brute strength both inspires and oppresses others. Now is the time for revenge, and the forging of empires. With mounting envy and malice, the men who would themselves be kings watch Isak, chosen by Gods as flawed as the humans who serve them, as he is shaped and moulded to fulfil the prophecies that are encircling him like scavenger birds. The various factions jostle for the upper hand, and that means violence, but the Gods have been silent too long and that violence is about to spill over and paint the world the colour of spilled blood and guts and pain and anguish ...

A dark lord will rise. Such is the prophecy that dogs Ringil Eskiath—Gil, for short—a washed-up mercenary and onetime war hero whose cynicism is surpassed only by the speed of his sword. Gil is estranged from his aristocratic family, but when his mother enlists his help in freeing a cousin sold into slavery, Gil sets out to track her down. But it soon becomes apparent that more is at stake than the fate of one young woman. Grim sorceries are awakening in the land. Some speak in whispers of the return of the Aldrain, a race of widely feared, cruel yet beautiful demons. Now Gil and two old comrades are all that stand in the way of a prophecy whose fulfillment will drown an entire world in blood. But with heroes like these, the cure is likely to be worse than the disease.

The gods of legend rise again on the world of Amyrantha in this tale of court intrigue, human-animal half-breeds, and claims of immortality.

And now, a direct descendant of that war's infamous mass murderer-the Lord of Slaughter-is tracking Wynn. If only that were all she had to worry about...

As their final battle approaches, a sellsword, a spy, and a general must find unlikely and dangerous allies in order to turn the tides of war in the final book of Brian McClellan's epic fantasy trilogy. The Dynize have unlocked the Landfall Godstone, and Michel Bravis is tasked with returning to Greenfire Depths to do whatever he can to prevent them from using its power; from sewing dissension among the enemy ranks to rallying the Palo population. Ben Styke's invasion of Dynize is curtailed when a storm scatters his fleet. Coming ashore with just twenty lancers, he is forced to rely on brains rather than brawn -- gaining new allies in a strange land on the cusp of its own internal violence. Bereft of her sorcery and physically and emotionally broken, Lady Vlora Flint now marches on Landfall at the head of an Adran army seeking vengeance against those who have conspired against her. While allied politicians seek to undo her from within, she faces insurmountable odds and Dynize's greatest general.
